The Action Items

What is the **Data** Story and its **Actionable** Next Steps

Anecdotal Story

Put a human face to your dilemma, keep it rooted in a compelling story.

Data Insights

What insights from your data lead to an actionable solution.

Actionable Solutions

What next steps or actions would you recommend based on your data nuggets.

Data Hackathon Deliverable

With visuals or slides, craft a story that give insights into your dilemma and then provide actionable next steps. Your presentation must be clear, concise, and less than 5 minutes.
